4.4.2 No Member shall be obligated to restore a Negative Capital Account.

This Section 4.5.1 is intended to comply with, and shall be interpreted consistently with, the “qualified income offset” provisions of the Regulations promulgated under Code Section 704(b).

4.5.2 Minimum Gain Chargeback. Except as set forth in Regulation Section 1.704-2(f)(2), (3) and (4), if, during any taxable year, there is a net decrease in Minimum Gain or Member Minimum Gain, each Member, prior to any other allocation pursuant to this Section IV, shall be specially allocated items of gross income and gain for such taxable year (and, if necessary, subsequent taxable years) in an amount equal to that Member’s share of the net decrease of Minimum Gain or Member Minimum Gain. Allocations of gross income and gain pursuant to this Section 4.5.2 shall be made first from gain recognized from the disposition of Company assets subject to nonrecourse liabilities (within the meaning of the Regulations promulgated under Code Section 752), to the extent of the Minimum Gain or Member Minimum Gain attributable to those assets, and thereafter, from a pro rata portion of the Company’s other items of income and gain for the taxable year. It is the intent of the parties hereto that any allocation pursuant to this Section 4.5.2 shall constitute a “minimum gain chargeback” under Regulation Sections 1.704-2(f) or 1.704-2(i)(4).

4.5.3 Contributed Property and Book-ups. In accordance with Code Section 704(c) and the Regulations thereunder, as well as Regulation Section 1.704-1(b)(2)(iv)(d)(3), income, gain, loss, and deduction with respect to any property contributed (or deemed contributed) to the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of the property to the Company for federal income tax purposes and its fair market value at the date of contribution (or deemed contribution). If the adjusted book value of any Company asset is adjusted as provided herein, subsequent allocations of income, gain, loss, and deduction with respect to the asset shall take account of any variation between the adjusted basis of the asset for federal income tax purposes and its adjusted book value in the manner required under Code Section 704(c) using the “traditional method” described in Regulation Section 1.704-3(b).

4.5.4 Code Section 754 Adjustment. To the extent an adjustment to the tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of the adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases basis), and the gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to that Section of the Regulations.

4.5.5 Nonrecourse Deductions. Nonrecourse Deductions for a taxable year or other period shall be specially allocated among the Members in proportion to their Capital Account balances.

4.5.7 Guaranteed Payments. To the extent any compensation paid to any Member by the Company is determined by the Internal Revenue Service not to be a guaranteed payment under Code Section 707(c) or is not paid to the Member other than in the Person's capacity as a Member within the meaning of Code Section 707(a), the Member shall be specially allocated gross income of the Company in an amount equal to the amount of that compensation, and the Member's Capital Account shall be adjusted to reflect the payment of that compensation.

4.5.8 Unrealized Receivables. If an Member's Interest is reduced (provided the reduction does not result in a complete termination of the Member's Interest), the Member's share of the Company's "unrealized receivables" and "substantially appreciated inventory" (within the meaning of Code Section 751) shall not be reduced, so that, notwithstanding any other provision of this Agreement to the contrary, that portion of the Profit otherwise allocable upon a liquidation or dissolution of the Company pursuant to Section 4.5 hereof which is taxable as ordinary income (recapture) for federal income tax purposes shall, to the extent possible without increasing the total gain to the Company or to any Member, be specially allocated among the Members in proportion to the deductions (or basis reductions treated as deductions) giving rise to such recapture.

4.6.1 Except as otherwise provided in this Agreement, the timing and amount of all distributions shall be determined by the Members.

4.6.2 If any assets of the Company are distributed in kind to the Members, those assets shall be valued on the basis of their fair market value, and any Member entitled to any interest in those assets shall receive that interest as a tenant-in-common with all other Members so entitled. Unless the Members otherwise agree, the fair market value of the assets shall be determined by an independent appraiser who shall be selected by the Managers. The Profit or Loss for each unsold asset shall be determined as if the asset had been sold at its fair market value, and the Profit or Loss shall be allocated as provided in Section 4.2 and shall be properly credited or charged to the Capital Accounts of the Members prior to the distribution of the assets in liquidation pursuant to Section 4.3.

4.6.3 All Profit and Loss shall be allocated, and all distributions shall be made to the Persons shown on the records of the Company to have been Members as of the last day of the taxable year for which the allocation or distribution is to be made. Notwithstanding the foregoing, unless the Company's taxable year is separated into segments, if there is a Transfer or an Involuntary Withdrawal during the taxable year, the Profit and Loss shall be allocated between the original Member and the successor on the basis of the number of days each was an Member during

the taxable year; provided, however, the Company's taxable year shall be segregated into two or more segments in order to account for Profit, Loss, or proceeds attributable to a Capital Transaction or to any other extraordinary nonrecurring items of the Company.

4.6.4 The Managers are hereby authorized, upon the advice of the Company's tax counsel, to amend this Article IV to comply with the Code and the Regulations promulgated under Code Section 704(b); provided, however, that no amendment shall materially affect distributions to a Member without the Member's prior written consent.

SECTION 5 MANAGEMENT, RIGHTS, AND DUTIES

5.1 Management. The business and affairs of the Company shall be managed under the direction of the Member, subject to the provisions of Section 5.2 and 5.3.

5.2 Appointment of Managers. Notwithstanding anything in Section 5.1 to the contrary, the Member may appoint one or more Managers to carry out the Company's day-to-day affairs or incur indebtedness for the Company in relation to such, and execute any and all documents relating to the indebtedness or further indebtedness of the Company. The initial Manager shall be Shoham Amin and the Manager may act independently except as stated otherwise herein. The Manager may be removed by the Member and may be replaced by the Member. Each Person selected to serve as a Manager shall hold that position until the Person is removed or the Person resigns. A Manager may resign at any time upon written notice to the Company.

5.3 Meetings of and Voting by Members.

5.3.1 A meeting of the Members may be called at any time by any Member or Members holding Percentages equal to or greater than eighty percent (80%) of the total Percentages. Meetings of Members shall be held at any such place as the Members may agree. Not less than ten (10) nor more than ninety (90) days before each meeting, the Person calling the meeting shall give written notice of the meeting to each Member. The notice shall state the time, place, and purpose of the meeting. Notwithstanding the foregoing provisions, each Member waives notice if before or after the meeting the Member signs a waiver of the notice which is filed with the records of Members' meetings, or is present at the meeting in person or by proxy. Unless this Agreement provides otherwise, at a meeting of Members, the presence in person or by proxy of Members holding not less than eighty percent (80%) of the Percentages then held by Members shall constitute a quorum. A Member may vote either in person or by written proxy signed by the Member or by the Member's duly authorized attorney-in-fact.

5.3.2 Except as otherwise provided in this Agreement, the affirmative vote of the Member shall be required to approve any matter coming before the Member.

5.5.2 This Section 5.5 supersedes any authority granted to the Members pursuant to the Act. Any Member who takes any action or binds the Company in violation of this Section 5.5 shall be solely responsible for any loss and expense incurred by the Company as a result of the unauthorized action and shall indemnify and hold the Company harmless with respect to the loss or expense.

5.6 Duties of Parties; Liability and Indemnification.

5.6.1 Limitation of Liability. Except as otherwise provided by the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company; the Managers and the Members shall not be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Manager or Member. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Operating Agreement or the Act, shall not be grounds for imposing personal liability on the Managers or the Members for any debts, liabilities or obligations of the Company. Except as otherwise expressly required by law, the Members, in their capacity as such, shall have no liability to third parties. Except as otherwise expressly required by law, the Managers, in such Managers' capacity as such, shall have no liability whatsoever to the Company for any loss suffered by the Company whether caused directly or indirectly by the acts, omissions or negligence of the Manager (acting within their capacity as Managers), its principals, agents, successors and/or assigns. In addition, any liability asserted against any Member or Manager shall be expressly limited to actual damages and the Company expressly waives any right it may have to claim or recover, in any such suit, action or proceeding, any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages.

5.6.2 Indemnification. The Company (including any receiver or trustee of the Company) shall, to the fullest extent provided or allowed by the law, indemnify, save harmless and pay all judgments and claims against the Managers and the Members and each of the Manager's and Member's agents, affiliates, heirs, legal representatives, successors and assigns (each, an "Indemnified Party") from, against and in respect to any and all liability, loss, damage and expense incurred or sustained by the Indemnified Party in connection with the business of the Company or by reason of any act performed or omitted to be performed in connection with the legal activities of the Company or in dealing with third parties on behalf of the Company, including costs and attorney's fees and any amounts expended in the settlement of any claims of liability, loss or damage, *provided* that the act or omission of the Indemnified Party does not constitute fraud or willful misconduct by such Indemnified Party or the claims of liability is not a result of a dispute between the members of the Company. The Company may obtain insurance to cover the risk of indemnification but shall not pay for any insurance covering liability of the Manager or the

Members or the Manager's or Member's agents, affiliates heirs, legal representatives successors and assigns for actions or omissions for which indemnification is not permitted hereunder; *provided, however*, that nothing contained herein shall preclude the Company from purchasing and paying for such types of insurance including extended coverage liability and casualty and worker's compensation, as would be customary for any Person owning, managing and/or operating comparable property and engaged in a similar business or from naming the Managers or the Members and any of the Manager's or members' agents affiliates, heirs, legal representatives, successors and assigns or any Indemnified Party as additional insured parties thereunder.

5.6.3 Non-Exclusive Rights/Survival. The provisions of this Section shall be in addition to and not limitation of any other rights of indemnification and reimbursement or limitations of liability to which an Indemnified Party may be entitled under the Act, common law, or otherwise. Notwithstanding any repeal of this Section or other amendment hereof, its provisions shall be binding upon the Company (subject only to the exceptions above set forth) as to any claim, loss, expense, liability, action or damage due to or arising out of matters which occur during or relate to the period prior to any such repeal or amendment of this Section.

5.6.4 Nothing in this Agreement shall be deemed to restrict in any way the rights of any Member, or of any Affiliate of any Member, to conduct any other business or activity whatsoever, and the Member shall not be accountable to the Company or to any Member with respect to that business or activity even if the business or activity competes with the Company's business. The organization of the Company shall be without prejudice to the respective rights of any Member or Manager (or the rights of their respective Affiliates) to maintain, expand or diversify such other interests and activities and to receive and enjoy profits or compensation therefrom. Each Member waives any rights the Member might otherwise have to share or participate in such other interests or activities of any other Member or the Member's Affiliates.

5.6.5 Each Member understands and acknowledges that, subject to the requirements of this Agreement, the conduct of the Company's business may involve business dealings and undertakings with Members and/or their Affiliates.

SECTION 6

TRANSFER OF INTERESTS AND WITHDRAWALS OF MEMBERS

6.1 Member's Interest - General.

6.1.1 A Member may not Transfer all or part of the Member's Interest to a person or entity (hereinafter sometimes referred to as an "Assignee") unless such Transfer is made in accordance with the provisions of this Article. Any purported Transfer in violation of the provisions of this Article shall be null and void and any non-transferring Member, in addition to any other remedies available under this Agreement and at law, in equity and otherwise, may seek to enjoin such Transfer and the transferring Member, or his legal representatives, agrees to submit to the jurisdiction of any court of the State of Delaware and to be bound by any order of such court enjoining such purported Transfer. An assignee who receives all or a portion of a Member's Interest in a Transfer made in accordance with the provisions of this Article VI (the "Assignee") shall be entitled to receive all distributions, allocations and economic benefits attributable to the

interest transferred to such Assignee, but such Assignee shall in no event be admitted to the Company as a substitute Member unless approved by the Members .

6.1.2 Notwithstanding any rule of law to the contrary, no Transfer, howsoever accomplished, whether voluntary or involuntary, of a Member's interest, although otherwise permitted under this Article VI, shall be recognized by the Company unless and until the Assignee agrees in writing to be bound by all of the terms of this Agreement, and executes and delivers such other instruments in form and substance satisfactory to the Members as they may reasonably deem necessary and desirable.

6.1.3 Unless the Members shall otherwise consent, no Transfer shall be permitted if such Transfer would result in a termination or deemed termination of the Company pursuant to Section 708(b)(1)(B) of the Code.

6.1.4 If a Transfer of a Member's Interest satisfies the other requirements of this Article VI, the Assignee shall be entitled to the distributions and allocations which the assigning Member would have been entitled with respect to such interest, but such Assignee shall only become a substitute Member entitled to exercise the assigning Member's other rights under this Agreement (e.g., to vote) if: (i) the Members consent to such substitution, which consent may be withheld for any reason which the Members deem appropriate or for no reason; and (ii) the assigning Member grants the Assignee such right, provided however, that such grant shall be deemed to have been given in the event of a Transfer which occurs by reason of the death of the assigning Member.

6.1.5 Upon the admission of a substitute Member in accordance with this Agreement, Exhibit A to this Agreement shall be amended and reflected to reflect the current list of Members and their respective Percentages.

6.1.6 Upon any Transfer of a Member's Interest or any Involuntary Withdrawal of a Member from the Company, the Member (and the Member's successor) shall cease to have any voting rights in the Company.

6.2 Permitted Transfers.

6.2.1 A Member shall be permitted to Transfer all or a portion of his Interest if:

6.2.1.1 Such Transfer is made with the prior written consent of the other Members;
or

6.2.1.2 Such Transfer is made to one or more members of the Member's Family, to a trust established for the benefit of the Member or Members of his Family, or to a Company, corporation, limited liability company or other entity wholly owned and controlled by the Member and Members of his Family.

6.2.2 In the case of a Transfer permitted under this Section 6.2, the Assignee of the transferred interest shall hold such transferred interest subject to the terms of this Agreement, including the restrictions on Transfers contained in this Section 6. Without limiting the generality of the foregoing, if the assignor of the transferred interest would have been required to sell the

transferred interest pursuant to any provision of this Section 6, the Assignee shall be required to sell the transferred interest on the same terms and conditions as the transferor of the transferred interest.

6.3 Right of First Refusal. Intentionally Omitted.

6.4 Right of Redemption. Intentionally Omitted.

6.5 Withdrawals.

6.5.1 A Member may not voluntarily withdraw from the Company. In the event of the Involuntary Withdrawal of a Member, the Company, by written notice to the Member given within one (1) year after the event of Involuntary Withdrawal, may elect to purchase the Member's entire Interest; and, in that event, the Member or the Member's successor, as the case may be, shall sell that Interest, and the Company shall purchase that Interest. Closing of the purchase shall take place at the Company's principal office on a date set by the Company, which shall be within thirty (30) days after the date of the Company's election. The purchase price shall be payable in sixty (60) consecutive equal monthly installments, including interest at the minimum rate needed, as of the date of closing, to avoid the imputation of interest under the Code. If the purchase is due to the voluntary or involuntary Bankruptcy of a Member, the purchase price shall be the Fair Market Value of the Interest. If the purchase is due to any other event of Involuntary Withdrawal, the purchase price shall be the Book Value of the Interest. Title to the Interest shall be good and merchantable, free of liens and encumbrances. If the Company does not purchase the Member's Interest following an event of Involuntary Withdrawal, the successor shall not be admitted as a Member and shall have only the rights to the distributions and allocations to which the withdrawn Member would have been entitled. This provision shall not apply if the successor in the event of an Involuntary Withdrawal is a member of the Member's Family

SECTION 7

DISSOLUTION, LIQUIDATION, AND TERMINATION OF THE COMPANY

7.1 Events of Dissolution. The Company shall be dissolved if the Members determine to dissolve the Company. The Company shall not dissolve merely because of any Member's Involuntary Withdrawal.

7.2 Procedure for Winding Up and Dissolution. If the Company is dissolved, the affairs of the Company shall be wound up. On winding up of the Company, the assets of the Company shall be distributed, first, to creditors of the Company in satisfaction of the liabilities of the Company, and then to the Members in accordance with Section 4.5.

7.3 Filing of Certificate of Cancellation. If the Company is dissolved, a Certificate of Cancellation shall be promptly filed with Secretary of State by the Manager. If there is no Manager, the Certificate of Cancellation shall be filed by the last Person to be a Member; if there are no remaining Members or a Person who last was a Member, the Certificate of Cancellation shall be filed by the legal or personal representatives of the Person who last was a Member.

Except as expressly provided otherwise herein, this Agreement may not be amended without the written consent of all of the Members.
